- Applications must be received or postmarked at least 29 days before Election Day

GETTING STARTED

Training Requirement: Kentucky does not require training or registration drives.

Notification and Registration Requirements: Kentucky does not have notification requirements for registration drives, but the state does require the drive's organization to act under the supervision of the county clerk: The state information is located here:

elect.ky.gov/Voters/Pages/Voter-Registration-Drives.aspx

Compensation Restrictions: Do not pay registration drive participants based on how many registrations they collect. It is a class B misdemeanor in Kentucky. Do not offer an applicant any incentive of monetary value to register to vote.
